

Good News Garage

A Program of Lutheran Social Services

1997 Saturn SL1 Blue with 106,000 miles

Offered at **\$1,000** to an eligible individual or family in need through Good News Garage (blue book value \$2,000)

Good News Garage is a non-profit organization that accepts, repairs and awards cars to individuals and families in need to get to full-time employment but who have a difficult commute. Our cars undergo a 72-point safety checklist at partner garages and are repaired to ensure they will be safe and reliable for 12-18 months with proper maintenance and responsible driving. Since 1996 we've awarded over 3,000 cars throughout New England. This program is new to Rhode Island. Good News Garage is a program of Lutheran Social Services.

This 1997 Saturn SL1 has approximately 106,000 miles and is in great condition. The car has already undergone our safety check and repairs at our partner garage in Providence.

If you are interested in purchasing this car for significantly below the blue book value, please contact Good News Garage to learn if you are eligible to apply. Our qualification criteria includes working full-time (or a job offer of full-time employment) and a difficult commute via public transportation (or no public transportation options are available). The \$1,000 purchase price must be paid in full at the time of title transfer by money order.
