

They like their fish cold

Hardy anglers like to fish the James River in cold weather. The tidal James from Richmond to Hopewell is a popular stretch. Here are some places you can fish or launch a boat:

1. Ancarrow's Landing; 2. Osborne Landing; 3. Dutch Gap landing;
4. Deep Bottom Park; 5. Hopewell City Marina (on the Appomattox River near the James); 6. City Point boardwalk
