

## SAUER'S RECALL STATEMENT

The C.F. Sauer Company has issued a voluntary recall of select dry mixes under the Sauer's, Gold Medal and Piggly Wiggly brands. This recall is in response to a voluntary recall of non-fat dry milk powder from its supplier, Plainview Milk Products Cooperative, which found Salmonella in the manufacturing environment. No illnesses have been reported to date in connection with this problem. Consumers who have purchased products with these specific UPC Codes and Code Dates can return them to the retailer for a refund. Additional information is available at [www.cfsauer.com](http://www.cfsauer.com) or by calling 1-800-688-5676.

Look on the foil packets for embossed codes along the edge of the package, and on the jars for printed codes located on the jar immediately below the bottom of the cap.
