## MEMORANDUM

TO: File

FROM: Stephen Steese 

SUBJECT: Beverly Maddox Termination

DATE: August 14, 2009

---

Beverly Maddox came in on August 13, 2009 at 1:30 as requested. She brought her sister to the meeting, and the Chief of Police was in the meeting as well. I informed her that she was being terminated for cause for failure to perform the job she was hired for. She asked what was going to happen from here. The Chief informed her that Agent Wells with SC Law Enforcement Division was waiting to talk to her about the situation, and that she would better served to be honest with him. Beverly then admitted that she had over paid herself, but didn't realize how much it was until she did the W-2s for the tax year. She said that she did it because her son needed the money and that she was supporting two houses. She said that she was sorry. I informed her that we had packed her things up this morning and that we would help her carry them out when she got done talking to Agent Wells.

I left the room at this point. Agent Wells questioned her after this. She provided a voluntary statement that is included in this file. After they were complete, we helped her load her items in her car.

She called on August 14 to discuss her cell phone that is part of the City's plan. I am going to work to remove all of the city's phones from this plan.
