

1 better look with my glasses. That is part of the

4 There will be 500 hours of community service to be
5 done within the three year period of probation.

6 Now is there anything else that we have left out?

7 MR. READ: Limited hearing, Your Honor.

8 I had difficulty understanding the Court's
9 directions at the very end. My understanding of
10 the costs situation, handling of the costs, is that

12 THE COURT: With the probation officer as
13 to the timing, yes.

14 MR. READ: As far as restitution goes,
15 Your Honor, I have in my hand two checks, trust
16 account, my trust account check for \$1500.00 and a
17 personal check of \$15,000.00 that will be made
18 payable to the Clerk of the Court and we'll tender
19 that at the close of these proceedings.

20 THE COURT: All right. That will be
21 fine. You may hand it to the bailiff at this time.
22 That's your check, your personal check?

23 MR. READ: No, Sir, it's a, her
24 relative's.

25 THE COURT: Okay. Her relative. Okay.
