Vehicle overturned on its side. Mr Lowe had a strong odor of alcohol on his person. His eyes were blood-shot and his speech was slurred. He left his license in his vehicle and I had to ask him numerous times about his name and address. He had to think about his date of birth. He added extra LLL when I asked him to spell his middle name. I asked him to take a preliminary PBT and it came back very positive. I advised Mr. Lowe he was under arrest for DWI and advised him of Implied Consent I read him Implied Consent at jail. He asked me what would I do.
