

ON this Date 06-08-08. this Officer WAS on patrol near McDonald's. I heard Deputy McCloud by radio go 10-81 Hwy 421 NORTH right across from Ralph Stout Park. Then I heard checking three Driver License I then headed his way. Upon my arrival I seen Deputy McCloud sitting in his vehicle with his emergency lights on. I pulled in behind him and turned my lights on. I went towards Deputy McClouds vehicle and asked him if everything WAS O.K. I told dispatch Center where I was. Deputy McCloud asked dispatch Center to get the other city Officer to retrieve the Criminal Summons on the subject in the vehicle. As we waited a Hummer WAS traveling South on Hwy 421 The driver drove by real slow. I watched the Hummer turn around and come back to Deputy McClouds traffic stop. The driver then stopped where we were. I seen a red light come on through the

drivers side window, then this subject stated, "Smile, I'm going to take your picture. He then drove off traveling North on Hwy 421. I watched this same vehicle turn back around and Deputy McCloud asked me to stop this vehicle for him. I stopped the Hummer and Deputy McCloud asked the driver Why did you take our picture? Deputy McCloud then asked the driver to delete the picture and told him he could leave. The driver was Mr. Conover. This man became very irrate and started cursing. Deputy McCloud asked Mr. Conover just to delete the picture and he refused. This Officer heard the woman in the passenger seat say "Just Delete It." Two children were sitting in the back seat as well. Deputy McCloud then placed Mr. Conover under arrest For Disorderly Conduct, Unlawful Photographing and Pointing a Laser at Law Enforcement Officers

Deputy McCloud asked Patrolman Ben May for his handcuffs. Two sets were used on this subject. Deputy McCloud then asked this Officer if I would transport this man to the Johnson County Jail.
